Dear Students,

During the current Covid situation, ESE 2020 Main Test Series could not be conducted in offline mode. This facility is being provided to all students who are enrolled in Mains Classroom Course or Mains Offline Test series.

Once you receive the courier you can write your answer on QCAB and upload the scanned copy on our portal for evaluation. Please do not send physical QCAB to MADE EASY. Evaluation will be done ONLY through digital mode for uploaded QCAB. You are permitted 24 hours time beyond test series date to upload your QCAB.
