**LIVE MOCK
TEST SERIES**

Test series commencing from ~~18th April, 2021~~
21st April, 2021

Dear Student,

Amid rising COVID cases in Delhi as well as in other states of the country, the Government of Delhi in its notification dated 15th April, 2021 imposed **WEEKEND CURFEW**, hence, we will not be able to conduct the test series on weekends at the moment. The **first three tests** will be conducted on **Wednesday** instead of **Sunday**. As of now rest of the schedule will be same as before.

Test series will be commenced from **21st April, 2021** (Instead of 18th April, 2021). Scroll down to view the revised schedule. Tests will be conducted in **LIVE Mode** in real time. Aspirants can appear through desktop/laptop /tablet/mobile.

The current arrangement is only for a brief period of time; once the situation gets better and Government withdraws the restrictions, we will conduct the remaining tests in offline mode.

Note:

1. Test will be conducted in Live mode. Students need to appear in the test on prescribed time table. As the test will be conducted Live, students who miss the test will not be able to give that test which is already released on prescribed time schedule.
2. If anyone misses the test, he/she can download the question paper, OMR, solutions and self-evaluate the tests.
3. After submission of the test you will be able to view solutions. In case of any discrepancy in the answer, the same can be challenged therein.
4. Aspirants will get All India Rank after every test.
5. Fee once paid is non-refundable.
6. If COVID situation is controlled and thereafter Government permits, we will conduct the last few tests in offline mode.
