

Important FAQs for Classroom Students

Dear Students,

Due to drastic increase in COVID cases, offline classes are on hold as per the government guidelines. Presently we are providing online classes to all our students enrolled in ESE/GATE classroom courses and later offline classes will be resumed once the conditions become completely safe to conduct offline activities.

We are making all possible efforts to provide the best support to our students. Students are advised to contact the below mentioned helpline numbers of respective department for quick support. Kindly keep patience or call after some time, incase our counselors are busy answering other students.

FAQs : Frequently Asked Questions

1. When will the institute open and from when offline classes will resume?

Ans: Presently COVID cases are rapidly increasing throughout the nation, hence offline classes are put on hold. Offline classes will resume once the conditions are conducive, subject to permission from govt. authorities. Students are advised to visit our website regularly for latest updates.

2. Should I stay at PG/hostel or shall I move to my home town?

Ans: If you feel that the PG/hostel where you are staying is safe and is providing all the basic facilities, then you can decide to stay at PG/hostels. At the same time; even the parents may be worried about your safety, therefore you can take the decision after discussing with your parents/local guardians. It is always better to be at home with parents during critical conditions. Buffer time of 4-5 days will be given before resuming the classes, so that students can travel from their home town to respective MADE EASY centre.

3. What type of support will be provided by MADE EASY for students enrolled in classroom courses?

Ans : MADE EASY is providing online classes on MADE EASY Live App till the offline classes are resumed, so that our students can utilize the time productively.

4. Those subjects which are covered through online mode, will they be taught in classroom also?

Ans : Yes. Online classes are an additional support provided to the students in order to utilize the time efficiently, later all the subjects will be thoroughly covered in MADE EASY classrooms, once the conditions are safe. But those subjects which are taught in online mode will be covered in later phase of offline classes, provided enough time is available before examination.
