

Mains Exclusive Batches for ESE-2019

Conventional Questions Practice Program

+

Mains Offline Test Series for ESE-2019

Mains batches are exclusively designed for practice of conventional questions for ESE-2019. Although the syllabus of ESE pre & mains is well covered in classroom course, still the interested candidates can enroll in these batches to develop the required skills to excel in Main examination. The approach followed in these batches is very beneficial to improve answer writing skills and special emphasis is given on presentation of answers. These batches are supplemented by well-designed ESE-2019 Mains Offline Test Series as per UPSC-QCAB pattern.

Key Features

- Very useful to develop numerical solving approach & improving writing skills.
- Discussion on probable questions.
- Comprehensive and in-depth discussion on variety of conventional questions, thus strengthening fundamental concepts.
- Special focus on improving answer layout specially for theory questions.
- Classes will be delivered by senior faculties.
- Updated Mains workbook for every subject having varied practice question sets.
- Test series will be conducted on every Sunday in synchronisation with the subject taught in class.
