MADE EASY

India's Best Institute for IES, GATE & PSUs

MADE EASY offers high quality courses for ESE and GATE

Regular/Weekend/Super Talent Batches

Intended for comprehensive preparation of UPSC Engineering Services Examination, GATE & Public Sector Examinations, the Classroom Programme help in developing the basic knowledge and proficiency required to put up a significantly improved performance in various exams. Students can opt either Regular Classroom Courses or Weekend Classroom Courses (especially designed for working professional & final year students).

Key Features:

- Classes are taken by highly experienced Professors & ESE/GATE qualified Top Rank Holders.
- All the subjects are taught from the basic level to the advanced level.
- Class tests are conducted separately based on GATE and ESE pattern which continue throughout the programme.
- High quality study material is provided during the Classroom Course.

Rank Improvement Batches

Rank Improvement Programme is meant for students who have already appeared in GATE/ESE exam and are looking forward to score better by focusing entirely on problem solving skills. These batches are available at Delhi & Hyderabad Centres.

- Comprehensive problem solving session with the standard questions.
- Smart Techniques to solve objectives and conventional problems.
- Useful techniques to improve accuracy and speed.
- Methodical and cyclic revision of all subjects with quality questions.
- Regular class tests followed by discussion.

Interview Guidance Program

MADE EASY consists of dedicated and experienced interview panel members. The Interview Guidance program emphasizes on overall personality development by improving personal disposition, body language, presentation skills along with a focus on in-depth technical knowledge, general awareness and current affairs.

Exclusive Batches For ESE Mains

Conventional Practice batches are specially designed for ESE-2018, Main examination. These batches are very useful to improve conventional question writing abilities. Probable conventional questions will be discussed in the classes. These batches will help candidates to develop step by step approach towards numerical questions. These batches will be conducted at Delhi & Hyderabad centres

2 Years Classroom Program

Two years classroom program is exclusively designed for 2nd/3rd year college going students. Syllabus will be timely covered and students will get good amount of time for revision. These batches are highly useful for semester and placement exams. Subjects will be taught from basic level to advanced level by experienced faculty, hence helping students in improving basics and fundamental concepts.

Postal Study Package

MADE EASY Education provides Postal Study Packages for ESE, GATE & PSUs separately. The study material is compact & effective, which is neither bulky nor vague. Instead, it is easy to understand and has unique presentation of the entire subject as per requirements of the examination. MADE EASY team has worked hard to provide error free material and smart shortcut methods to solve the problems.

The Postal Study Package has been categorized into four parts:

- GATE Package (CE, ME, EE, EC, CS, IN)
- ESE Package (CE, ME, EE, EC, IN)
- GATE + PSUs Package (CE, ME, EE, EC, CS, IN)
- ESE + GATE + PSUs Package (CE, ME, EE, EC, IN)

Online Test Series

MADE EASY Online Test Series provide students an innovative test preparation platform to prepare for ESE & GATE. The entirely new test modules are designed considering the standard and pattern of actual GATE and ESE examination. The test papers are designed by highly experienced faculty team and technical experts having 10 to 12 years of experience in competitive teaching and content development. The test results also emphasize on comprehensive analysis of performance so that students can judge their level of preparation. A large number of engineering aspirants participate in these test series and one can evaluate himself/herself at All India level, hence Online Test Series can be treated as Mini-GATE and Mini-ESE examination.

Offline Test Series for ESE Pre and Mains

MADE EASY offers Classroom Test Series (Offline) for both Preliminary exam (Paper-I & Paper-II) and Main exam. Classroom Test Series is the platform designed to simulate the actual exam environment in all aspects. Papers are developed by our R&D wing, which includes professors from reputed colleges, ESE toppers & MADE EASY faculties.
