

"Simplifying Engineering Redefining Excellence"

**ESE | GATE | PSUs
SSC | RRB | Civil Services Exam
State Services**

MADE EASY Publications publishes reference books which deliver high quality reading material and learning solutions across a wide range of disciplines. Our competitive examination titles provide a wide range of competitive solution books, manuals and exam specific books for national and state-level competitive examination like ESE (conducted by UPSC), State Engineering Services Examinations, Civil Services Examinations, GATE, Public Sector Undertakings examination SSC, UGC etc. We also publish some highly popular titles on the key subjects of such examinations, such as General knowledge, General English, Current Affairs and Reasoning Aptitude. Content is designed keeping in mind student requirements balancing theory and practice with examples, and illustrations that add value to the preparation. The study material is comprehensive, authoritative and up-to-date.

MADE EASY Group

MADE EASY is synonymous with success in ESE, GATE, PSUs, and State examinations. As a trusted success partner for engineering graduates over the past 25 years, MADE EASY has maintained its exclusivity through consistently producing toppers and securing the highest number of selections across these competitive exams since its inception in 2001.

Founded by Mr. B. Singh, an IIT-BHU graduate who cleared the prestigious ESE examination thrice, MADE EASY is led by a visionary team of highly qualified educators and dedicated R&D professionals. This expert team continuously works toward developing a robust academic foundation and cultivating a competitive mindset among aspirants. Their collective efforts have successfully shaped some of the nation's most accomplished engineers, setting industry benchmarks for excellence and innovation.

The organization's track record speaks volumes about its commitment to quality education. In ESE- 2025, MADE EASY achieved an outstanding milestone with 435 selections out of a total of 458 vacancies—representing 95% of all selections—including toppers from all four engineering streams. Similarly, in GATE 2025, MADE EASY produced 399 selections among the Top 100 rankers, including 5 All India Rank 1 holders, further cementing its position as India's premier coaching institute.

www.madeeasy.in

NEXT IAS, an initiative of the MADE EASY GROUP, aspires to guide students towards success in the Civil Services Examination. Since its inception in year 2001, MADE EASY has lived up to its brand value "Big Learnings MADE EASY" and has empowered the youth to fulfill their dreams by consistently producing toppers and highest number of top rank holders in ESE, GATE and PSUs examination. Building on this legacy, we understand the nuances and specific needs of civil services aspirants.

Recognizing the dynamic nature of the UPSC CSE, we continually update our curriculum and teaching methods, delivering comprehensive, syllabus-aligned content tailored for all examination stages. Driven by our core principle of "making learning easy," NEXT IAS boasts a faculty panel of renowned professors, retired officers, subject experts, and passionate educators. Their vast experience, subject mastery, deep understanding of the UPSC exam pattern, and ability to personalize teaching make our faculty highly sought after.

NEXT IAS offers classes at New Delhi, Jaipur, and Prayagraj, equipped with state-of-the-art infrastructure and studios for live-online sessions. We also provide online/offline All India Test Series, regularly updated study materials, personal mentorship, classroom tests, daily & monthly current affairs compilations, and much more. Join NEXT IAS to embark on a trans-formative journey toward fulfilling your dream of serving the nation as a civil servant.

www.nextias.com

MADE EASY School, a pioneering venture of MADE EASY Group, envisions education as a transformative journey. It is a progressive K-12 school having two centres one in Bandhwari (Gurugram Sector 58) and another in Chhattarpur (Delhi) offers mainstream education through experiential learning. With a sprawling 25-acre campus (at Gurugram), environmentally conscious facilities, and a commitment to sustainability, MADE EASY School offers naturally lit classrooms, open learning spaces, a well-equipped library, a multisensorial lab, and an indoor sports complex.

The school, featuring a 20:1 student-teacher ratio, prioritizes student-centric teaching methods, boasts a global-oriented faculty, and emphasizes ongoing professional development for an enriched learning experience.
